

# ALA COP

## ALABAMA COMMUNICATIONS AND OPERATIONS PORTAL

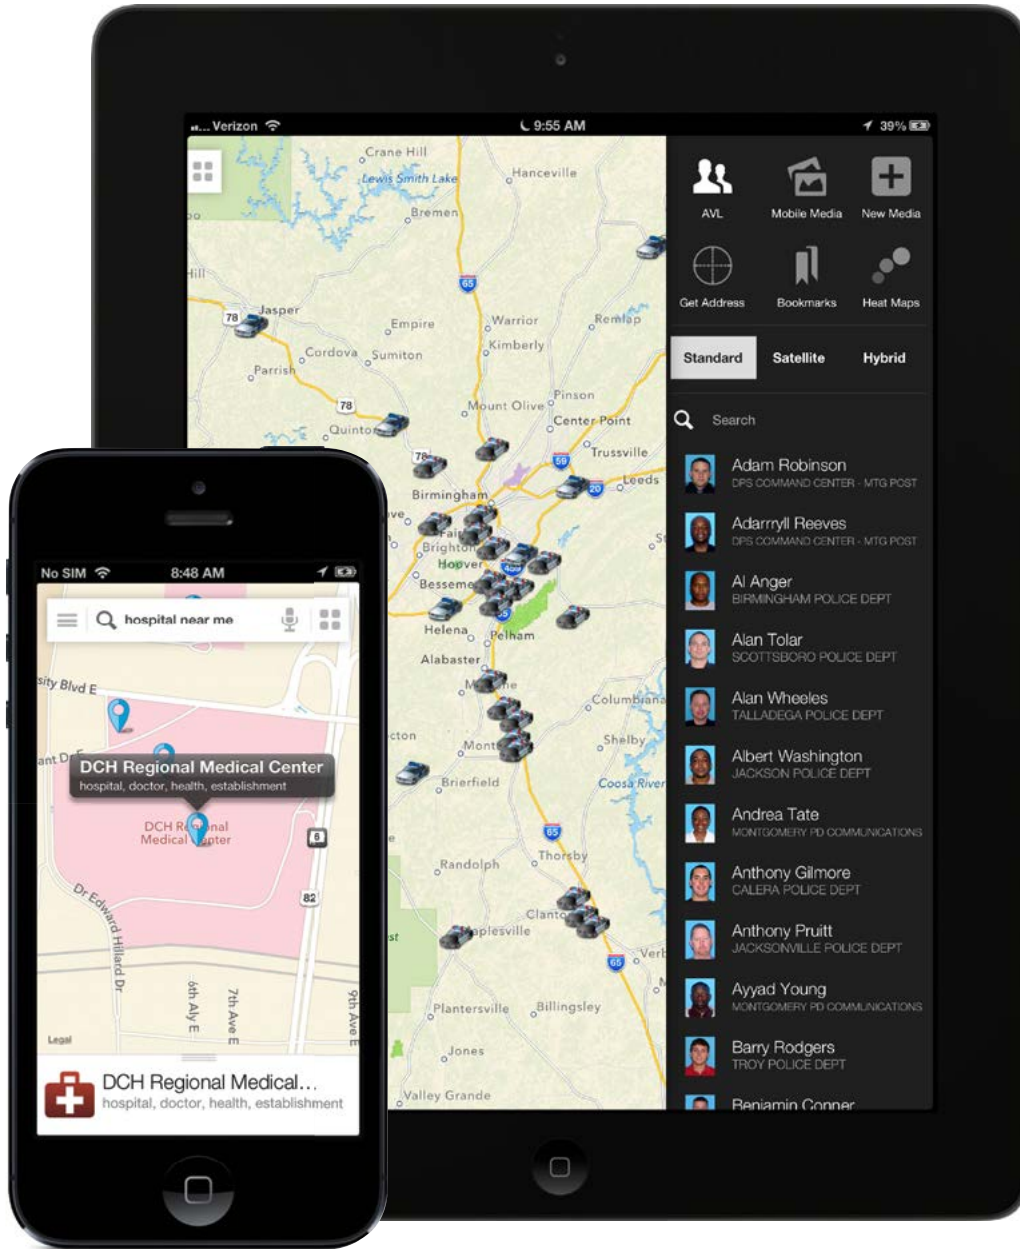

### ABOUT

- ◆ AlacCOP Mobile is the name for the next-generation officer technology for mobile devices.
- ◆ Available soon for iPhone and iPad, AlaCOP Mobile brings the technology of MOVE and AlaCOP found on the laptop right to your pocket. AlaCOP Mobile also leverages the unique technologies found in mobile devices such as GPS, ubiquitous data access and a touch screen interface to deliver a product unlike any other at CAPS.

### FEATURES

- ◆ Viewing in-agency officers in near real-time on an interactive map
- ◆ Upload and share photos, videos, and audio recordings
- ◆ Generate heat maps for officer location, citation and crash data
- ◆ Business information lookup powered by Google
- ◆ Siri voice search integration
- ◆ Access to the NCIC criminal database
